

Remko H. Pape

ABOUT ME

I am a motivated and hardworking person who adapts quickly to new tasks and work environments. I have broad experience from different jobs, which has taught me to stay reliable and efficient even during long hours or busy shifts. I enjoy working in a team, but I also take responsibility and show initiative when needed. My focus is always on keeping a high standard of work while helping things run smoothly.

WORK EXPERIENCE

MOUNTAIN IN MOTION (INTERNSHIP)

Bergen, Norway

February 2024 - July 2024

Graduation Intern

Contributed to a project on climate models in mountain regions, analyzing CHELSA data and exploring how mountain characteristics influence climate patterns. Used ArcGIS and RStudio to identify model similarities and differences.

SAM BV

5512 PA, Vessem, The Netherlands

January 2023 - December 2024

Enviromental Consultant

At Advisory Firm SAM B.V., I leveraged my expertise in the elds of environment, energy, and safety to create value, with a focus on sustainability according to the EU directive CSRD and relevant Dutch laws, including PGS

THUISBEZORGD (TAKEAWAY)

Breda, the Netherlands
August 2022 - June 2024

Bicycle courier

Food delivery from different resturants around the city directly to the front door of customers.

S.A. ESSENCE

Breda, the Netherlands
July 2021 - July 2022

Event manager and head of the Activity committee

Leading a team, organizing events, forging partnerships, and reecting on my tenure on the board, I gleaned the signigance of clear communication in every organizational facet.

GREENOFFICE AVANS

Breda
March 2021

Project Assistant

As a member of the Green Oce at Avans, I contributed to various projects aimed at sustainability initiatives within Avans University of Applied Sciences. This experience deepened my understanding of sustainability principles and strengthened my ability to develop and implement sustainable initiatives.

FLETCHER HOTELS

Duivenslaagte 2, 8346 KH De Bult
June 2019 - October 2019

Barista

Worked at a high-quality hotel restaurant where I managed the bar and served a wide range of drinks, including wines, beers, coffees, and soft drinks. Supported daily operations by assisting with table service, taking orders, handling payments, and stepping in wherever needed. This role required strong customer service, multitasking, and the ability to stay efficient during busy shifts.
